THE LOVING ENVIRONMENT OF A FAMILY draws forth an individual's greatest talents and gifts. We've come to realize that creating an atmosphere in which children can hear the Lord's call is one of the most significant responsibilities resting on our shoulders as parents. Our own lives must reflect the presence of God, His Word, and the love He offers His people. Parents, do you encourage your children to develop their talents and gifts? Do you encourage your children to think of Church ministry as a possible life choice? —Serra for priestly and religious vocations
