WHAT IS A SISTER? A Sister lives in a religious community that follows a constantly renewed tradition, patterned on the life and teaching of the founder of the community. The work she generally does will depend upon the ministries of that community as influenced by the needs of the Church and its people — for example: teaching, social work, administration, nursing, peace and justice ministry, etc. Does the lifestyle of a Sister sound attractive to you? Contact the diocesan vocation office for more information. —Serra for priestly and religious vocations
