PADRE SERRA SAYS:

To High School Senior Men: In a few months you will be marking the beginning of the end of your high school career. You may be saying, "Thank God!" However, every ending marks a new beginning. As you approach senior year, you face two challenges: what to do and who to be. You must choose a college, a career, and a life-style. But more importantly, you must choose how you will make a contribution to the people of this world. How will you answer that question? The obvious answer is to be the very best person you can be. If you want to be a mechanic, be the best mechanic. If you choose law, be a lawyer of the highest integrity. If you enter the business world, then be above reproach. Whatever you do, explore the possibilities. Consider the priesthood as one of those possibilities. Many young men have thought about becoming priests, but they have not shared that thought with others. If you think about or are interested in the priesthood, get in touch with your parish priest. Our senior year will fill you with excitement as you look to the future and discover a way to do God's will and God's work in the world.
