**PADRE SERRA SAYS:**

A MISCONCEPTION AMONG some Catholics is that the priest has an ideal job: he works one day each week, Sunday. They forget that the other six days a week, the priest works long and hard behind the scenes: bringing communion to the sick and elderly, counseling troubled families, visiting school classes, preparing individuals for sacraments. Often the job is frustrating, exhausting and thankless, but always of vital importance. Take some time this week and express appreciation to our priests for the difficult work they do.
