PADRE SERRA SAYS:

THE LOVING ENVIRONMENT OF A FAMILY draws forth an individual's greatest talents and gifts. We've come to realize that creating an atmosphere in which children can hear the Lord's call is one of the most significant responsibilities resting on our shoulders as parents. Our own lives must reflect the presence of God, His Word, and the love He offers His people. Parents, do you encourage your children to develop their talents and gifts? Do you encourage our children to think of Church ministry as a possible life choice?

My Dear Friends of St. John of the Cross,

This letter is not to tell you goodbye forever, but to let you know what is going on in my life and where the Lord is leading Ruth Ann and me. I have no intention of forsaking my good friends. So you will see me around from time to time.

As you all know, I have Parkinson's disease, and this is greatly affecting my ministries as a deacon. I have been granted an early retirement as an active Deacon which means that I will no longer be assigned to a parish, but can still function as a Deacon with the pastor's permission.

Also, Ruth Ann and I have sold our house in Lakes of the Southern Crossing just north of Splendora and moved to an apartment on Atascocita Shores Drive, just west of Lake Houston and FM 1960. The travel time from our new home to St. John's is about 30 minutes or longer in high-traffic which prevents me from activities in the late evening at St. John's.

We have been attending Mass at St. Philip the Apostle Church in Huffman, which is 3 miles away from our apartment and plan to join this new parish.

The best thing about our new home is that it has a fishing pier, where I can go fishing anytime I want to. Ruth Ann and I would like to invite anyone to give us a call and visit us (fishing license is not required). We plan on visiting our friends as often as possible.

May the Lord bless and smile upon you all the days of your life.

Deacon Bob
